Big Brew Day will be held at Brainerd Farmer's Market. Club will supply kits so will need brewers. Event is on 5/5 and will be from 9-2.

Brew Skies was a great success. Thanks all who contributed and attended the event. Club will look to do a different scoring schedule for next year's event.

Chattabrewga will have 10 beers donated for this event. If you donate a keg, you get two passes but will have to pour some during the event. Chris will look at ways to possibly make it where you don't have to work long shifts at the Barley Mob station.

Competitions Next competition is BOCK (Brewers of Central Kentucky) Bluegrass Cup in June. More details at next meeting. Fugetaboutit will be held on 9/15 this year. Chris has already reserved the Knights of Columbus hall for the event.

New Local Homebrew Supply Shop Brew Market and Beer Garden is now open for business. Be sure to swing by and check them out at 1510 Riverside Drive. Article about them can be found over at Nooga.com ([link](#)).
